What is *Moving Forward Together?*

This is a community engagement campaign focused on creating real, people-centered solutions and drawing from the lived experiences and ideas of early childhood educators. After registering, take short surveys and share your ideas for how we can make San Bernardino County better for families and early educators.

How does it work?

- 1.** First, you get registered by answering a few questions.
- 2.** Complete surveys online when they become available.
- 3.** We value your time and ideas! Get paid for participating.

After registration, win a \$5 gift card for every survey you complete.

Moving Forward Together is funded by First 5 San Bernardino, in partnership with Cal State University San Bernardino, San Bernardino County Superintendent of Schools, Preschool Services Department, and Child Care Resource Center
